Juror's Statement...

I want to thank the Jacksonville Watercolor Society for the trust placed in me to select the show and jury awards. I am particularly excited that many artists reached out to try new ways of expressing their ideas. I think this show illustrates a powerful range of creative expression and emotional content.

I look for strength in design, a good composition, original concept, excellence in execution and a feeling (very elusive) that the artist had something to say.

To those included in the show, I say congratulations. This is a strong exhibit. For those who didn't, keep painting and entering competitions, enjoying the beautiful journey of creating art.

~Sherry O'Neill

From the President:

JWS was founded in 1982 to promote watercolor as an important and recognized medium in the arts community and to provide support as well as educational opportunities for the artist, from the beginner to the professional.

As a non-profit organization we encourage and recognize artistic excellence through our exhibitions, and by elevating the standards in watermedia to increase the visibility and stature of watercolor as a viable arts medium.

Having the opportunity to exhibit in such a wonderful and prestigious arena as the Karpelz Manuscript Museum gives our members the opportunity to present their work to a broad spectrum of viewers and patrons. Our exhibitions bring out the best in our members and this show is no exception.

Congratulations!

Show Chair's Statement...

Spring has sprung! I can't think of a better way to begin the season than with an art show at the Karpel's Museum. The light, softly filtered in through the large stained glass windows, lends itself to the beauty of its surroundings.

Thank you members, for your treasures. It has made these walks come alive with color and untold stories of personal journeys. To you, Ruth Damberg, for helping us every step of the way and to George Regan, for his steadfast and endless endeavors. To Sherry O'Neill, our judge, to Rosemary Katin, who organized the reception, to all who brought refreshments and to Judy Steinmeyer, whose violin will sing to us at our opening and make icing on the cake of our works.

A very special thanks to all our volunteers who so graciously gave of their time, patience and talent to make it all come together.

The Jacksonville Watercolor Society

JWS held its first meeting in February 1982 and today is considered one of the best organizations supporting and promoting watercolor in the U.S.

The purpose of the organization is to provide opportunities for its members to extend their experience, increase their skills, share their understanding and knowledge of watercolor painting, its philosophy, techniques, and presentation; and, to allow members to represent themselves creditably in art exhibitions.

Membership is \$35.00 per year - from June to June, and is open to anyone living in Northeast Florida.

JWS takes pride in presenting well-known artists to inspire members with demonstrations and lectures. Monthly meetings are held on the last Tuesday (unless otherwise specified) of each month from September thru May.

Monthly meetings are held at Building 'N' Room
103 FCCJ South Campus on Beach Blvd.

Two (three days to one week) workshops are conducted by celebrated instructors in the Spring and Fall of each year.

Two Exhibitions are sponsored by JWS and open to members in good standing.

If you would like to join our arts organization, or would like more information, please visit our website at www.jacksonvillewatercolorsociety.org
